School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Profile

Orchard Ranch is in West Roseville located within a mile of Fiddymont and Pleasant Grove Blvd. Orchard Ranch Elementary School opened in August 2017 and is in its nineteenth school in the Roseville City School District and is in it's first year of operation. It has many unique features including classrooms built around an inner pod for planning, conferences, and small group teaching. It has a large playground for grades 1st through 5th and another playground in the kindergarten wing. The school is located in a previously rural area that was home to ranches and orchards. The prevalent theme on the buildings is related to the orchard them. Orchard Ranch is the home of the Broncos! Today Orchard Ranch serves over 503 students with 21 teachers and 1 special education teacher. Our teaching practices at Orchard Ranch Elementary School reflects the new California Content Standards focusing on rigor in the subjects of reading, writing, oral language, literature, math, science, and physical education.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: 9/7/17

Roseville City Elementary held a public hearing on September 7, 2017 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards- aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark	Yes	0
Mathematics	Houghton Mifflin	Yes	0
Science	Science MacMillan/ McGraw Hill 2008	Yes	0
History-Social Science	History/Social Science Pearson Scott Foresman 2007	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Repair Status:

Overall Summary of School Facilities Repair Status – Exemplary

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas, this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008- 2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Our key contacts are: President School Site Council Erica Stratton (916) 771-1890, PTC President Rebecca Espenshade (916) 771-1890 or OrchardRanchPTC@gmail.com

Orchard Ranch Elementary uses its volunteers in many ways. Every day we have from fifteen to twenty parent volunteers who assist in the classroom or copy room. We have over twenty-five parent volunteers who volunteer as Art Docents. These volunteers teach about some classic artwork, and then have students participate in the genre or theme being taught for that month. We have a dynamic Parent Teacher Club with over 200 active members that donate resources and time for our students in varying ways including sponsoring assemblies, fundraising for technology, library books and social events. They also organize school events such as our Tailgates, Trunk or Treat, Movie Nights and Father/Daughter, Mother/Son events. Many parents and community members volunteer their time sharing their career choices with students. These include policemen, legislators, firemen, and military personnel. We also have a father involvement program called WATCH D.O.G.S. which promotes the active involvement of father figures in our school. WATCH D.O.G.S. volunteer to spend a day helping on our campus helping mentor students and assisting in school safety.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2017-18)

A School Safety Plan has been created and is reviewed and updated annually in January by the School Site Council. This plan is available for you to review upon request. Please make an appointment at (916) 771-1890. Evacuation and lockdown drills are practiced on a regular basis at Orchard Ranch. Staff and students are updated on safety practices. RCSD has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. This plan includes procedures for coordinating resources to emergencies.

Professional Development (Most Recent Three Years)

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

In addition, Orchard Ranch teachers plan lessons aligned with the state standards and utilize our district ELA program, Benchmark and Expressions program for math. Teachers are supported by cohorts, principals, and district inservices. An emphasis on close reading and integrating language development into our English Language Arts lessons. Teachers are supported in these efforts through collaborative conversations in PLC groups, teacher-principal meetings and classroom walk throughs. At Orchard Ranch our teachers are learning a variety of ways to implement technology into their lessons in meaningful ways. We are working to plan lessons which allow for student collaboration, creativity, critical thinking and communication.
